Nizhniy Novgorod

Nizhny Novgorod is one of the oldest city in Russia. It was well-known as an international trade centre since 1817. The city has more than 600 unique historical, architectural and cultural monuments including the Nizhny Novgorod Kremlin.

Interesting places:

1 Cathedral of St. Alexander Nevskiy

Photo by K Kotyusova
The Alexander Nevsky Cathedral (Russian: Собор Святого Александра Невского) is a Russian Orthodox cathedral church located in the Kanavinsky city district of Nizhny Novgorod. The cathedral is located on the former territory of the Nizhny Novgorod Fair. It is one of the unofficial symbols of Nizhny Novgorod, along with the Dmitrovskaya Tower of the Kremlin, the Chkalov staircase and the fair. The main construction of the cathedral was begun on August 18, 1868 and lasted for 13 years, internal work continued until 1881.
